We are a group of family physicians providing low risk obstetrical care.

We provide coverage 24/7 on call and deliver out of St. Joseph's Health Centre.

We will see your patients within 2 weeks, and return them to your care after delivery. If your patients need to be seen sooner, just call us!

We only bill OUT OF BASKET codes.

There is also more information about us on the St. Joseph’s Health Center website, which may be of interest to you and your patients at:

Thank you for referring your patient to our group.

It is a pleasure to work together with colleagues in our community!

You and your patients can choose the location most convenient to you!

Sincerely,

Sunnyside Primary Care Obstetrics
